To:

Dear ZRobotters,

first of all congratulations to you for your participation and interest in Zero Robotics competition. As you already know, **all European and Russian non-finalist teams** are invited in **Alicante, Spain**, to participate to the final event with the live broadcast of the final matches aboard ISS.

All details of the organization in Alicante are available on [zerorobotics.iuii.ua.es](http://zerorobotics.iuii.ua.es) and <https://twitter.com/ZeroRoboticsSp1>.

You are kindly invited to register to the event by filling **AS SOON AS POSSIBLE** all your details in the line assigned to your team in the shared document: **<omesso>**

Please, add a new line for your team from line 36 in advance in the previous sheet.

Teams willing to attend in BOSTON are kindly requested to write ATTENDING IN BOSTON in the column # of students

**Please, note that the** although the *Cultural activities* (09:00-12:20h) are only confirmed for the finalist team, **you will be included in our waiting list**. We will confirm this event for you by January 21.

**DEADLINE:** Please, fill the corresponding line in the sheet before January 17.

In addition we are also planning an optional ice breaking opportunity on the night of 27th (something like meeting together in an Alicante pub); those interested are invited to write their interest also in the above sheet.

Any further information related with the competition will be published soon in our web: [zerorobotics.iuii.ua.es](http://zerorobotics.iuii.ua.es).

**Looking forward to see you soon in Alicante!**

The Organizing Committee

Please, don't hesitate to contact us if you need any further information: **<omesso>**
